Permission to Check-In and Check-Out Independently

Your child's safety is important to us. Children with parent/guardian approval have the option to independently check in and out of a program, based on you selecting "yes" that your child can walk home at time of registration.

Please sign and complete this form for each camp, and bring to camp on the first day or email camps@portcoquitlam.ca, as staff require this form in order for your child to independently check in and out of the program.

Please note that once your child is signed out, responsibility for their supervision returns to you. Any children who remain unsupervised are still expected to follow the City's Code of Conduct**.**

- Treat others with respect and dignity at all times.
- Report inappropriate behavior, safety concerns, broken equipment or facility damage to staff immediately.

Violations to the Code of Conduct may result in the loss of facility privileges.

This is to confirm that my child:
