

## Permission to Walk Home |

Your child's safety is important to us. Children 10yrs and older with parent/guardian approval have the option to walk home after attending a City Day Camp. Upon registering you selected "yes" your child(ren) can walk home.

Please sign and complete this form, and bring to camp on the first day or email [camps@portcoquitlam.ca](mailto:camps@portcoquitlam.ca), as staff require this form in order for your child(ren) to walk home on their own.

This is to confirm that my child \_\_\_\_\_ has permission to walk home at the end of each Day Camp session and will be signing themselves out.
