Celebrating Life in PoCo

The theme of our 2027 calendar is once again *PoCo Life*, highlighting the community events and public spaces that enrich the life of Port Coquitlam's residents and visitors.

Many photos featured in the calendar were submitted by community photographers.

We thank all contributors and will feature these and other submitted photos in a variety of City materials and publications. They can also be found online at **portcoquitlam.ca/photos**.

Once bears become used to human food sources, they may require action from Conservation Officers. Secure all attractants to keep bears safe and avoid a fine.

Learn more at portcoquitlam.ca/lockitright.

LOCK IT UP

Secure garbage and organics carts in a garage, shed or with an approved cart lock. *Secure carts even if empty.*

SET IT OUT

Only set out unlocked carts at the curb between 5:30 and 7:30 am, and secure them again by 7 pm.

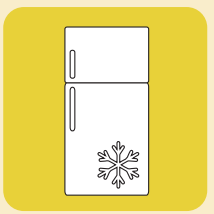

Remove and secure these common bear attractants

Ensure attractants are inaccessible to wildlife

Pick ripe fruit, collect fallen fruit

Lock outdoor fridges and freezers

Clean BBQ and grease tray after use

Are you RECYCLING GLASS the right way?

Port Coquitlam provides curbside glass collection to households receiving City waste services. It's important to recycle glass correctly to avoid fines that are passed on to taxpayers.
