Focus is on having fun while maneuvering through interactive circuits and learning about bike and street safety. **Age: 4-8**

Requirements: Is this the right level for my child? If participants can start their bike from a stationary position and then ride forward independently without training wheels, participants do not need to attend First Gear prior to registering for Second Gear.

Changes to Aquatic lesson registration

These improvements include:

- Adding skills as a pre-requisite to a customer's profile in the registration system as a requirement for aquatics lessons and
- Adding additional registration dates for aquatic lessons on a rolling registration. A rolling registration will provide an opportunity for participants to register for a lesson more frequently throughout the season and provide fewer breaks in learning.

Registration for aquatic lesson programs will go as follows:

- Port Coquitlam residents will have access at 8am 30 days prior to the first day of swim lessons.
- General public will have access at 8am 27 days prior for the first day of swim lessons.

Providing proof of prerequisites

Bring a report card to one of the Recreation Centres (Hyde Creek Recreation Centre or Port Coquitlam Community Centre) in person or send an email with the participant's name and a photo of the report card to recreation@portcoquitlam.ca. Please ensure the photo includes the participant's name and the last level they have passed.

If you are unsure whether the prerequisites are in the system, please contact the Recreation team at recreation@portcoquitlam.ca or call 604-927-PLAY (7529).
