**RE: Coast Meridian Road Fibre Optics: Laurier Avenue to Victoria Drive.**

Please be informed that the City will be expanding the City Fibre Optics network along Coast Meridian Rd, between Laurier Avenue and Victoria Drive. The construction contract for this installation has been awarded to HighAngle Technical Group Inc. Construction works are expected to commence March 2025 and will be completed by early Summer 2025. The scope of work includes:

- Trenchless drilling for conduit installation;
- Installation of junction boxes at various locations;
- Excavating at Gas, Electrical and Water crossings; and
- Driveway, grass and road restoration as required.

Construction will take place between the hours of 7AM and 7PM, Monday through Friday. While we will attempt to keep disruptions to a minimum, we ask for your patience, cooperation and respect with the crew and traffic control personnel so we can safely pass you through the construction zone. As is typical with construction works of this nature, you may experience traffic delays, dust, vibration and noise from the work. Additionally, impacts to the boulevard fronting your property, which may include, but are not limited to the following:

- Landscaping – including but not limited to tree, hedge, and bush trimming or removal;
- Driveway and boulevard restorations as necessary; and
- Sidewalk Restorations.

For more information on public boulevard and maintenance, and to learn more about City of Port Coquitlam's *Boulevard Maintenance Bylaw #3965*, and *Subdivision Servicing Bylaw #2241*, please visit: [portcoquitlam.ca/boulevard](http://portcoquitlam.ca/boulevard), and [portcoquitlam.ca/bylaws](http://portcoquitlam.ca/bylaws).

Residents will be notified by the Contractor in regards to any updates in schedule, driveway access disruptions, and works outside regular hours.

You may view the plans for this project by visiting [portcoquitlam.ca/capitalprojects](http://portcoquitlam.ca/capitalprojects) or by using the QR code above, and select the Coast Meridian Rd Fibre Optics project.

For any questions and concerns, please contact the undersigned.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Aidan Sheridan', with a horizontal line extending to the right.
