Dear Property Owner(s) and Resident(s):

**Re: 2025 Utility Upgrades – Reeve Street Drainage Upgrade**

---

Please be advised that the City is finalizing the design and preparing to advance to construction for utility upgrades to take place in your area. **Appendix A** depicts the drainage upgrades that are included within the scope of this project at the following locations:

- Wilson Avenue between Gates Park entrance and Reeve Street; and
- Southbound along Reeve Street between Wilson Avenue and laneway between Wilson Avenue and Atkins Avenue.

During construction you will also experience construction related inconveniences such as dust, noise, vibration, traffic delays, detours and restrictions to Gates Park. We apologize for the inconvenience in advance and will endeavor to complete the work with as little impact to you as possible.

The project is anticipated to commence construction in Spring 2025. All residents will be informed of the finalized schedule in advance to minimize inconvenience.

You may view other proposed **2025 Construction** plans taking place around the city by visiting [portcoquitlam.ca/capitalprojects](https://portcoquitlam.ca/capitalprojects) or use the QR code provided. We invite you to submit your comments and questions in regards to the proposed works to the undersigned below.

Regards,

Matteo Santorelli
