- 8.3 If at any time an owner fails to comply with the provisions of this bylaw, a tree cutting permit or a tree replacement plan, the City may by its employees or contractors enter upon the lot that is the subject of the requirements and fulfill the requirements of the owner and, for such purposes, the City may draw upon the security provided and expend the funds to cover its costs and expenses of so doing.
- 8.4 The City shall release the security provided by an owner in respect of each replacement tree when the Parks Section Manager determines, in his or her sole discretion, that a replacement tree has been planted and maintained in good health for a period of 1 year. In the event that the Parks Section Manager determines an owner has not maintained a replacement tree in good health for 1 year, the City may retain the security until the Parks Section Manager is satisfied that the replacement tree, or a tree planted to replace a deceased replacement tree, is in good health and is expected to grow to maturity.
- 8.5 The Parks Section Manager may waive the requirement to post security under this section 8 if the owner has provided other security relating to a development on the lot that permits the City to draw down on such security to fulfill the owner's obligations under a tree cutting permit, tree replacement plan and this bylaw.
- 8.6 The Parks Section Manager may waive the requirement to post security under this section 8 if the owner carries on an institutional or single residential use as set out in the Zoning Bylaw, 2008, No. 3630.

In the event that the owner cannot obtain such consent from the owner of the adjacent lot, the owner shall install a protective barrier around the tree to the property line of the owner's lot.
- 9.3 No demolition permit, building permit, or fill permit shall be issued before the installation of protective barriers has been satisfactorily demonstrated to the City, if such barriers are required in accordance with sections 9.1 and 9.2.

- (a) a report from a certified arborist, satisfactory to the Parks Section Manager, setting out the reasons and proposed duration for such removal or relocation; and
 - (b) a signed letter of undertaking from a certified arborist, in the form prescribed for that purpose from time to time by the Parks Section Manager, confirming that the certified arborist will be onsite and supervising all such work,
