RE: \_\_\_\_\_ [civic address of project]

\_\_\_\_\_ [legal description of project]

I acknowledge that the owner of the land in respect of which this permit is issued is solely responsible for carrying out the work authorized by this permit in accordance with the Building Code and other applicable laws respecting safety, including the requirements of the Building Code in relation to soil conditions for building foundations.

I acknowledge that the owner of the land is also solely responsible for determining whether the work authorized by this permit contravenes any covenant, easement, right of way, building scheme or other restriction affecting the building site, and whether the work requires the involvement of an architect under the **Architect's Act** or an engineer or geoscientist under the **Engineers and Geoscientists Act**.

I acknowledge that the City of Port Coquitlam provides a limited monitoring service in relation to building construction and does not, by accepting or reviewing plans, inspecting construction, monitoring the inspection of construction by others, or issuing building or occupancy permits, warrant that the construction authorized by this permit complies in every or any respect with the Building Code or any other applicable laws respecting safety.

If the City of Port Coquitlam has so indicated on this permit, I acknowledge that the City has issued the permit in reliance on the certification of a registered professional, engaged by me to provide such a certification, that the plans for the work authorized by the permit comply with the Building Code and other applicable enactments, and that the fee for the permit has been accordingly reduced. I acknowledge that the City of Port Coquitlam, by issuing this permit or any occupancy permit, makes no representations to me or any other person as to any such compliance.
