Lock it Right!

Keep your neighbourhood safe

One meal from a waste cart or fruit tree is enough to bring a bear back. Secure attractants to keep your family and neighbours safe and avoid a fine. More tips and info: portcoquitlam.ca/lockitright.

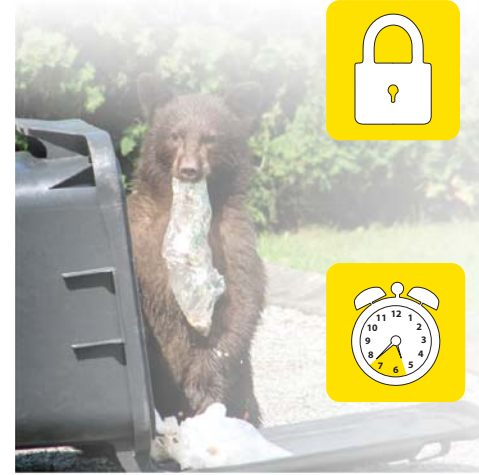

LOCK IT UP

- Secure waste and other attractants in a garage, shed, or with an approved cart lock.
- Pick ripe fruit, clean your barbecue after every use, and keep pet food and bird seed out of reach.

SET IT OUT

- Only set out unlocked carts at the curb between 5:30-7:30 am on collection day [leave at least 1 m (3 ft) between carts].
- Secure them again by 7 pm.
