

Message from City Council

We Remember

While we can't gather in person this year on Remembrance Day, we can still come together in spirit to reflect on the sacrifices of the brave men and women who have fought for our country over the decades.

Our veterans continue to provide a strong example for us today of dedication, resilience, teamwork and care for others — qualities that are required of all Canadians this year.

As your City Council, we're proud of the spirit of community that we see across Port Coquitlam, especially during these challenging times. On this Remembrance Day, please wear your poppy and find your own way to honour our veterans and cherish all that we have today because of their sacrifices.

We will always remember.
