City of Port Coquitlam Replacement Tree List

Not all trees on this list are suitable for replacement in every situation. This list is not intended as an exclusive list of acceptable trees. Contact an ISA certified Arborist or Landscape Professional for assistance in species selection specific to your site and needs.

Trees planted as part of a Hedge are not considered replacement trees.

Please refer to the TREE BYLAW, 2019 Bylaw No. 4108 for the requirements of replacement trees. Tree replacement plans are subject to the review by the City Arborist.
