

Application for Building Permit- Single Family/Two Family Residential – New, Addition, Alteration or Repair

Single Family/Two Family Residential Building permits are required before you build, demolish, repair or alter most buildings, decks, garages, carports, coach houses, secondary suites or other structures.

For more information about building requirements, visit www.portcoquitlam.ca/building

*Firms that engage in the practice of professional engineering or geoscience will be required to register with Engineers and Geoscientists BC and hold a **Permit to Practice**.*

TO BE COMPLETED BY APPLICANT

I/We hereby make application and provide drawings under the provisions of the pertinent Bylaws for permission to construct, repair or alter the following building or structure and agree to comply with all requirements of the Bylaws and to indemnify and keep harmless the City against all claims, liabilities, judgments, costs, and expenses of whatever kind, which may in any way accrue against the said City in consequence of, and incidental to, the granting of this Permit, if issued.
