Wilson Advisory Board

Heat Domes, Atmospheric Rivers, Floods, with COVID and new Variants, still lurking. 2021 was a year that many of us look forward to putting behind us. Patience, understanding, and goodwill have seen us through the worst of the last two years. We are optimistic and look forward to a better 2022. Your Board wishes you and your loved ones the best in the upcoming holiday season. We are committed to working very hard on your behalf and are looking ahead to bringing forth some interesting programs, based on your feedback at your AGM.

At our AGM we did not have anyone stand to act as Treasurer or a Vice-President, and we need these positions filled to complete our executive. If you have an interest in working with a great group of people in either of these two positions, please let me know.

Royce Shook, President, Wilson Senior's Advisory Association.
