- 43.11** The Licence Inspector may levy a monthly business licence surcharge on any owner who increases rent beyond the limit applicable under Section 43.1(b), in the amount that is the difference between the rent permitted by that Section and the rent that the owner's tenant is paying in respect of the suite that has been renovated or repaired, and may refuse to renew the business licence of any owner who, being subject to such a surcharge, has not paid the surcharge by the date on which the licence renewal is required.
- 43.12** For certainty, Sections 43.1 to 43.12 apply in respect of the renovation or repair of any suite in an apartment building regardless of whether a building permit authorizing the renovation or repair had been applied for or issued prior to the date of adoption of Business Amendment Bylaw No. 4116, 2019, and regardless of whether a notice to terminate a tenancy had been delivered prior to that date.

- 43.15** No offence is committed against Section 43.1 or Section 43.2 of this bylaw:
- (a) as of the date on which a tenant, having been given notice of eviction in contravention of this bylaw or having been evicted in contravention of this bylaw, is accommodated by the owner in accordance with Section 43.1, in respect of the renovation or repair for which the tenant has been evicted; or
